For being so understanding in helping us with our desires and needs and for being a true friend as well as teacher to us during our glorious years of high school, we, proudly dedicate this 1958 edition of the CARDINAL to you-----Mr. Schell. As the student body all knows Mr. Schell participates in all activities at school and still has time for a wonderful family. At this time we would like to say "Thank You" from the bottom of our hearts.

# FOREWORD

## DOORWAY TO TOMORROW

Doorways leading onward and upward-----dreams of future successes and achievements-----all of these are portrayed by the Doorways of Millington High School.

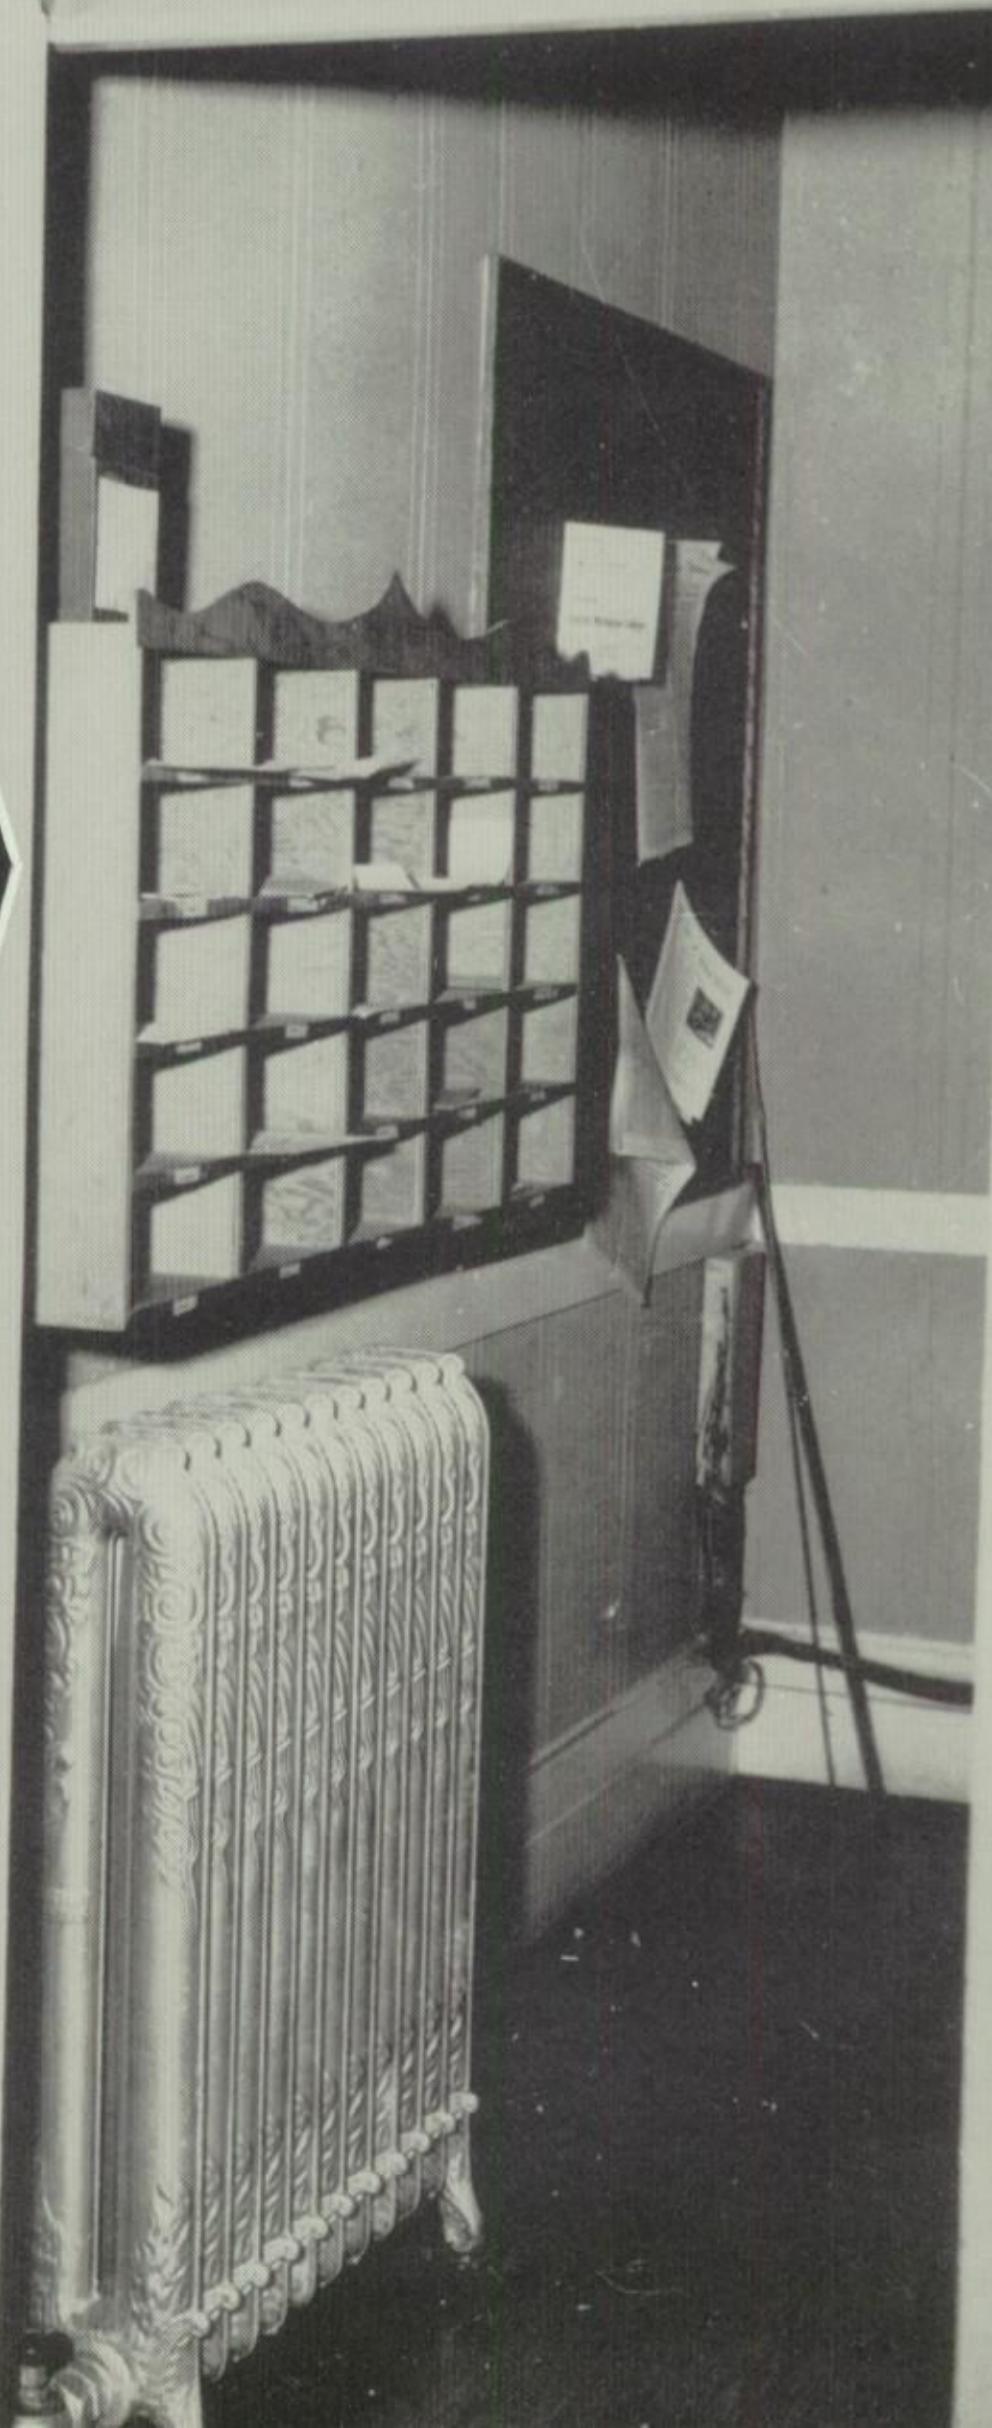

Every person who has attended Millington High School remembers, perhaps more than any other object or event in his high school life, the time-worn doorways of M. H. S. which he entered on his way to success.

Most of us, caught up in our own little worlds of dreams and wishes, do not realize that those who have gone before had to pass through these doors. They, too, had their dreams and ambitions, and they used these doors to pass through to futures filled with success.

Every hinge and every worn knob in our doors tell the story of the hundreds of students who ventured through them with their eyes and hearts on a future ideal. Let us remember them and make our steps through the doorways of M. H. S. steps which will lead us to "DOORWAYS THROUGH TOMORROW."

## Activity Scholarship Award Winners

Each year a girl and a boy are chosen from the graduating class of high school and are awarded the activity scholarship awards. These medals are awarded according to the participation in school activities, capable leadership, and scholastic ability. These awards are based on a point system. This year we wish to extend our sincere congratulations to you Marlene and George for showing such ability. May this be only a step through your Doorway of Success.

## Class Poem

In the beauty of Autumn of '54  
We "New Freshies" opened the Ag. room door.  
They called a meeting with the help of Jake  
For our color, flower and motto to make.

Our flower was chosen carnation white  
In spite of the girl's tremendous fight.  
Our colors, white and Copper Sulfate Blue  
Does our motto "Nothing is gained without  
work" suit you?

Sophomores we were made at last  
And now our Freshman year is in the past.  
Our advisor received was Mr. Lentz  
Who helped us bring in our dollars and cents.

Our dance that year was the Valentine Hop,  
Which put our ego right on top.  
Then we were Juniors with things to do  
We worked as a team, all part of the crew.

Among the first was our Jr. Play  
The best of all in every way.  
We had a dinner and dance as well  
"Junior Jump with Johnson", and it was swell.

At last our Senior year was here,  
And graduation was drawing near.  
The Juniors presented a banquet and Prom  
And last came the trip which proved to be fun.

But now it's time, the end's drawing near  
We must leave this school and friends so dear.  
We must now open the door of life  
To live our own, and live it right.

We say farewell, Bonne chance to all,  
We will not return with you next fall.  
As we leave to find more happiness,  
We'll always remember our M. H. S.

# Class History

On a fresh fall morning in September of 1954, eager and gay Freshmen paraded into the Ag. Room. Under the guidance of the annual Freshman sponsor, J. L. Meachum, we began our long awaited high school curriculum.

During our first class meeting in 1954, we elected Royce Shamel as President, Dan Spencer as Vice President, Sharon Vansteenkiste as Secretary, and Judy Babion as Treasurer. Royce Shamel was our Student Council Representative.

In our long debated meeting we chose our class colors as Copper Sulfate Blue and White. Our motto was, "Nothing is gained without work." Our flower was a White Carnation.

Early in the spring of 1955, the day came we had all been waiting for. For this was the day we ordered our class rings.

Seeing we didn't have a project in our Freshman year, we decided to have a party. And what a party it was! Judy was the Queen of the Carnival with Danny Alcantar as our King.

Then along came June and the All M Banquet with letter winners Dick Zink 2, George Kish 1, Tyrone Beebe 1, Elaine Cole 1, Hilda Hunt 1, and Lila Gleason 1.

The next year as Sophomores, we chose Art Isham as President, Dick Gross as Vice President, Phyllis Carll as Secretary, and Annette Brow as Treasurer, Art Isham and Dick Harvey were our Student Council Representatives.

It wasn't long before the Sophomores began to strut. Yes, we had our class rings. You could tell by looking at the Sophomores, they were in no rutt. For our money making project, we had a great dance with Bill Lamb providing the entertainment as DJ.

Letter winners for this year were George Kish 5, Dick Zink 4, Tyrone Beebe 2, Judy Dalrymple 1, Danny Alcantar 1, Roger Love 1, Bernard Griffith 1, Dianne McLaren 1, Ramona Bewell 1, Bonnie Brown 1, Lila Gleason 1, and Elaine Cole 1.

The summer flew by like a flash and we entered our all important Junior year. This was our big money making year. For our officers we selected Jim Carson as President, George Kish as Vice President, Dianne McLaren for Treasurer, and Elaine Cole for Secretary. Jim Carson, George Kish, and Dan Spencer were Student Council Representatives.

Our Junior Play was among our money making projects. The play, "Don't Take My Penny," turned out to be a great success. The cast and directors helped make this play a success. The cast consisted of the following: Art Isham, Murel Ihrke, Judy Babion, Phyllis Carll, Georgia Jones, Kay Jewell, Bob Osborn, Royce Shamel, Judy Dalrymple, George Kish, Dianne McLaren, Virginia Reinert, Dan Spencer, Dick Harvey, Jim Farnum, and Deanna Reed. The best acting awards were given to Judy Dalrymple and Dan Spencer.

We were very fortunate in having a girl selected from our class to be the Homecoming Queen. She was Marlene Morningstar and we were very proud.

We sponsored the Jr. Sr. Banquet with George Kish as our toast-master. Our prom which followed turned out "Great." Our theme was carried our appropriate with all the trimmings to fit into an "Oriental Garden." Again we had a girl from our class as Queen. If you all remember Charlotte Ormsbee took the part of being a real Queen.

Before long, June was staring us in the face and the All M Banquet was being arranged with George Kish receiving 4 letters, Dick Zink 4, Judy Dalrymple 2, Ramona Bewell 2, Art Isham 2, Dick Gross 2, Royce Shamel 2, Mike Blackmer 2, Danny Alcantar 2, Deanna Reed 2, Gary Mosher 2, Roger Love 2, Lila Gleason 2, Tyrone Beebe 2, Bernard Griffith 2, Bob Osborn 1, Charlotte Ormsbee 1, Elaine Cole 2, Erma Leach 1, Phyllis Carll 1, Judy Babion 1, June Harback 1, Lyle Loomis 1, Gerald McNeal 1, Marilyn Rohn 1, Linda Whitehead 1, Lois Smeaton 1, Alice Sherman 1, Bonnie Brown 1, and Murel Ihrke 1, also for best Ag. Project.

School soon ended once more but this time we were all looking forward to coming back next year as the "All Important Seniors."

The summer went by like a breeze and we entered our last year at M. H. S., with George Kish as our President, Dan Spencer as Vice President, Virginia Reinert as Treasurer, and Marlene Morningstar as Secretary. George Kish, Judy Babion and Art Isham were Student Council Representatives. It wasn't long and another big day came to pass on the calendar and that was our long awaited senior pictures. When they returned we were all as proud as seniors could be.

On November 26, 1957, we had our Senior Play. "Swing Your Partner" was our selection. This cast consisted of Judy Dalrymple, George Kish, Lois Smeaton, Art Isham, Deanna Reed, Royce Shamel, Judy Babion, Doyle Stratton, and Irma Leach, Dan Spencer and Mary Mills. George Kish and Irma Leach walked away with the best actor and best actress awards for their participation in the Senior Play.

Another of our money making projects was the Talent Show on January 27. Besides furnishing excellent entertainment, it helped to swell our class funds. On March 21, 1958, we had our last money making project before we were to say good-bye to M. H. S. Both of these, financially speaking, were a success.

On May 5, the Juniors gave us a big send off with a wonderful banquet, followed by a beautiful prom. One, I'm sure, we will never forget.

Soon June was here with the All M seeing letters given to George Kish 5, Dick Zink 4, Ramona Bewell 4, Judy Dalrymple 2, Alice Sherman 2, Lila Gleason 2, Deanna Reed 2, Art Isham 2, Royce Shamel 2, Dick Gross 2, Gary Mosher 2, Joe LaBean 2, Harold Baker 2, Ken Carlson 2, Bob Osborn 1, Mike Blackmer 1, Charlotte Ormsbee 1, John Schluckbier 1, Jack Powers 1, Mike Martin 1, Dianne McLaren 1, Phyllis Carll 1, Bernard Griffith 1, Judy Babion 1, June Harback 1, Lyle Loomis 1, Gerald McNeal 1, Marylyn Rohn 1, Linda Whitehead 1, Bonnie Brown 1, Georgia Jones 2, Doyle Stratton 1.

Following this we had the annual Baccalaureate Services. Now time was really running out.

We may have thought we were all glad when June 4th came around, but deep down we all wanted to be freshmen again like we were in 1954. So to you, the undergrads of M. H. S., we, the seniors, want to wish you all the very best of luck and happiness in your future years at M. H. S. Also we want to say Thank You for making our last year so enjoyable, because you help make it possible by your complete cooperation in our every effort.

Good by and Good Luck  
Yours Sincerely,  
The Class of 1958!

# Class Prophecy

A cool breeze was blowing as I entered the gates of the Alumi Field. There was much commotion as the small group gathered together once more, again for a reunion on the Millington School grounds, from which they graduated in 1958.

Gazing back to the parking lot I see Mr. George Kish and his wife, the former Judy Dalrymple, driving in with a 1968 yellow convertible. George is now the star quarter back for Michigan State, and Judy is a cheerleader for his team. Landing, near by is Danny Spencer. He is trying to bring his latest invention, "The Air Boom" down to earth.

Going back to the school grounds I see Deanna Reed. She has just returned her 10th diamond ring to the "Past-Love" of her life.

And there is the "Ole Apple King" himself, Mike Cobb. He owns the "Three Tree Orchard" south of town. Must be the cider got the best of him. Mike is chatting with his old buddy Royce Shamel, now the great romantic actor. Royce claims his next picture is called "The Night of Passion." The leading lady is going to be played by Jo Hethorn, the world famous actress. In her last movie, "I Was A Guitar String For Elvis," she played opposite of the teen-age idol and lost fifteen pounds in the process.

Roger Love, "Slugger Love," is here tonight with his wife. Rog is in with the big time fights. Next week he is scheduled to fight the great "Daring Dynamite Dan," who we know as Danny Alcantar. This is to be the greatest fight of the year! Roger is looking for his first win. Bonnie Brown, famous newspaper woman, says she's going to the fights to get a story for her paper, "The Bonnie Brown Blast."

Georgia Jones recently opened a swanky New York fashion shop, "The French Room," where all the latest Paris fashions are being displayed. She has just hired two new models, Phyllis Carll and Irma Leach.

Bernie Griffith and Tyrone Beebe are sitting together recalling old times with their wives. The commotion nearby is caused by all the little Griffith's and Beebe's.

Cal Keinath and Jim Sahr are now co-owners of the Burp Beer Co.. They are chief "Sippers." Their capable secretary is Marie Brown.

Dale "Hotrod" Blue has now gone into the manufacturing business of motor scooters. He has entered the racing profession and is known as "Blue Streak" Blue.

Kay Jewell called to say she couldn't make it tonight. She and Dale are in Germany and due to the fact that their rocket ship was out of commission they decided to spend a quiet evening at home.

June Harback and Marilyn Rohn are now assistant manager's at Zhender's Hotel in Frankenmuth. They seem to be quite prosperous as they both drive a Jaguar.

Joe LaBean, Mike Martin and Dick Zink have combined their football talents and are now playing pro-football for the Detroit Lions'. Elaine's cooking must agree with Dick as he is looking better than ever!

Mike Blackmer and his wife, the former Alice Sherman, have just arrived. Alice has given up the piano teaching profession for a few months to care for their new set of boy triplets!

Hilda Hunt has just arrived in a fabulous mink coat. She is the owner of "Hilda's Beauty Salon" and her old senior girl friends support her by having their hair done there regularly.

Who is that stirring up dust and papers on the school grounds? It's none other than Don Hutchins, who is now a District Street Cleaner in New York City slum area. He just can't stand the sight of messy school grounds.

That isn't Ken Carlson with his nose buried in a Government book is it? Why yes it is! After ten years he is still trying to get that credit in Government.

We hear that Dick Gross is plugging away at his own Leonard Gas Station located on Millington's Super Highway, ten lanes wide. As we were driving through town we noticed that Sonny McPherson has his own Super-Duper Vegetable stand. We found out by the grapevine that Sonny was arrested because he was selling rotten vegetables.

Lila Gleason is now a successful elementary teacher here at Millington High School. She is one of the few who have combined marriage and a career successfully.

Karen Hutchinson is now executive secretary to the President of the United States. We always said she would go places.

Chester Cain is here this afternoon and informs us he is still amusing himself with the same old pastime, which is getting acquainted with all the neighborly hobos who run between Maine and Mexico. Confidentially, the hobos happen to be girls!

Georgia Catlin likes the new Edsel so well that she and Roy went into business for themselves. They own the "Petzold Edsel Company."

Mary Mills, wife of Dr. Carl Schurtz, is now his assistant secretary. She heard that the hospital, which they own, employs some pretty snazzy nurses, so she decided that she and the five little schurtzes had better look in on him occasionally.

The former Marlene Morningstar came today with her husband Les Long. They tell us they built a \$5,000 addition to their ultra modern ranch type home for her successful nursery school.

Although Judy Babion (Mrs. Ronnie Couch) is a successful housewife, she is also head drum majorette at Central Michigan College. She had a slight accident while bathing her baby boy. She thought he was a baton and tried to flip him.

Oh! Look at Mr. and Mrs. Harold Baker driving up in one of the company cars. He now owns his Dad's car business, "The Baker Acre Chevrolet Sales" in Frankenmuth.

After looking through town I see the name is changed on Schumaker's Restaurant. It is now "Eat at Ishams." We specialize in hot homemade bread and cold pickles. East of town we see the big dairy barns belonging to Murel Irke. He owns 740 milking cows and 4,000 acres of land.

Look over there. Isn't that Jim Carson, John Schluckbier, and Jack Powers? I imagine their names have been plastered on all the sport pages for they are the Champion Bowlers.

Rolland Fall is happily married. Isn't the latest little Fall addition cute? Well, this one finally looks like their Daddy.

Oh! There's Rolland Foster following in his brother Doug's footsteps. "Nothing is gained without a big speech," he always said.

Paul Markel is head chemist at Dow Chemical Company in Midland. His latest invention is called "Fingertip Night Heat." This is none other than a fluid poured into batons to keep majorettes hands warm at football games.

Ramona Bewell and Charlotte Ormsbee wired to say "Aloha" from the Hawaiian Pineapple Patches, which they own. This they bought while stationed there. Four more months and they will have completed their ninth year in the Wacs.

Dick Harvey is due here tonight for a big Disc Jockey Dance. His popularity, as a DJ has risen since high school days and he now has his own TV program, "You Ain't Nothing But a Dancer."

Dale Savage and Ken Sawyer are now co-owners of the Sawyer-Savage Scrap Iron Inc., and are doing quite well.

Mr. and Mrs. Bob Osborn, his wife the former Virginia Reinert, own the John Deere Implement Co. Virginia helps drive a tractor when she isn't busy with their two little daughters. Charlene Stewart and Linda Whitehead are their head secretaries and enjoy their work immensely when Bob isn't bossing them around.

Sitting down at the table near the right, we see Reverend Bob Fall and his devoted wife. He is pastor of the Lutheran Church in Vassar.

Gary Mosher, we hear, is doing pretty well for himself. He is head model for Pepsodent tooth paste (it contains Lanolin).

Jerold McNeal, owner of "Ye Big Potato Farm" has won first prize for raising the biggest potato of the year.

We are deeply sorry that one of class-mates, Lyle Loomis, can not be with us today. He is just beginning a life sentence in Jackson Prison for bigamy.

Jim Allore has been touring the state singing hillbilly songs. It has been rumored that Jim has had an offer to tour the Ozark Mountains to teach the hillbillies how to sing.

Doyle Stratton and John Weeks have just returned from a trapping expedition in Alaska where they caught their limit of polar bears. We see Gary Larkin and his wife coming up the walk now. Gary is a successful apprentice for General Motors Corp., where he has been sweeping the floors for the past ten years.

Lois Smeaton, head librarian at the State Library in Lansing, has established quite a name for herself after publishing her latest book Why Librarians Go Crazy.

Miriam Woodward finally put her artistic talent to work and is head designer at MGM Studios in Hollywood. She was recently fired from RKO because she was always late for work.

Mrs. Leo Cowan, the former Dianne MacLaren, is unable to attend the reunion because she is resting after giving birth to her 12th son. She always said, "They're cheaper by the dozen."

And so fellow alumni, we now conclude our tenth annual reunion. We hope that you will all make plans to be with us again next year, same time, same place, and the crowd drifts away.....

In Memory of Anthony (Tony) Bissonnette our classmate, who was so tragically taken from us in a tractor accident on May 19, 1957. Tony participated in the various activities, but was outstanding in sports. He had a pleasing personality of a winning, willing way. Tony was a hard working boy in school and out. His manners and movements were quiet and thoughtful, for this he was a friend to all.

Because we shall always remember Tony, we want him to be part of this yearbook.

## Student Council

The Student Council for 1957-58, as it has in many years past, consists of students from each grade, 7-12, representing the grade from which they were chosen. The purpose of the Student Council is to represent the student body as a whole. They have sponsored money-making projects to furnish necessities for the school, and they have made many decisions concerning each class, and the school in general.

At the beginning of the 1957 football season, new head coach Syd McLouth and his assistant Bill Seltz were greeted by 14 returning lettermen and the future looked mighty bright.

The Cardinals dropped their first three games to strong class B teams Vassar and St. Charles and defending conference champions Imlay City, before deadlocking Howell and Oxford.

Millington dropped a hard fought game to Ortonville 12-6 and were trounced by undefeated Frankenmuth 25-0 before they knocked North Branch from the South Central conference championship on the last day of the season 7-0.

The Cardinals had some compensation when six players were chosen on the all conference team. Seniors, Captain Dick Zink, Dick Gross, George Kish, Mike Martin and Royce Shamel. Junior Carl Schnettler was also chosen.

The most valuable player award was won by Joe LaBean, and the most improved players on this years football team were Jim Henderson and Dale Simmons.

## Varsity and Junior Varsity

Three returning letterwinners formed the nucleus of the 1957-58 Cardinal basketball team, they were Senior and Co-Captains Dick Zink and George Kish and Jr. Bill Sawyer. Others with limited experience who saw action during the year were, Calvin Keinath, Rolland Foster, Ken Carlson, and Harold Baker; Jr., Larry Lee, Lyle Kirkey, Dale Simmons and Carl Schnettler. Playing perhaps one of the strongest schedules the Cardinals came up with the 4 wins as against 12 defeats. The highlight of the season came in the final home game when Millington came from behind to winning sudden death overtime contest 64-62 from League rival North Branch. Leading the Cardinal scoring was Senior George Kish 244 pts., Dick Zink 166, Bill Sawyer 132, Lyle Kirkey 103, Senior Dick Zink earned the most valuable player award.

ROW ONE: Delane Whittaker, Bernie Griffith, Duane Roggentine, Les Long. ROW TWO: George Kish, Gale Hallwood, Tyrone Beebe, Danny Alcantar, Bill Sawyer.

Although the 1957 season was mostly a rebuilding season, the Millington thinclads finished a strong third in the South Central League meet held at Oxford.

The Cardinals lost only four consistent point getters due to graduation in captain Les Long, Duane Roggentine, and Jim Hunt and will have 11 returning lettermen next season.

Leading this array of fine talent are seniors Dick Gross, Dick Zink, George Kish and Gary Mosher, Juniors, Bill Sawyer, and John Dingo, Sophomore, Gale Hallwood.

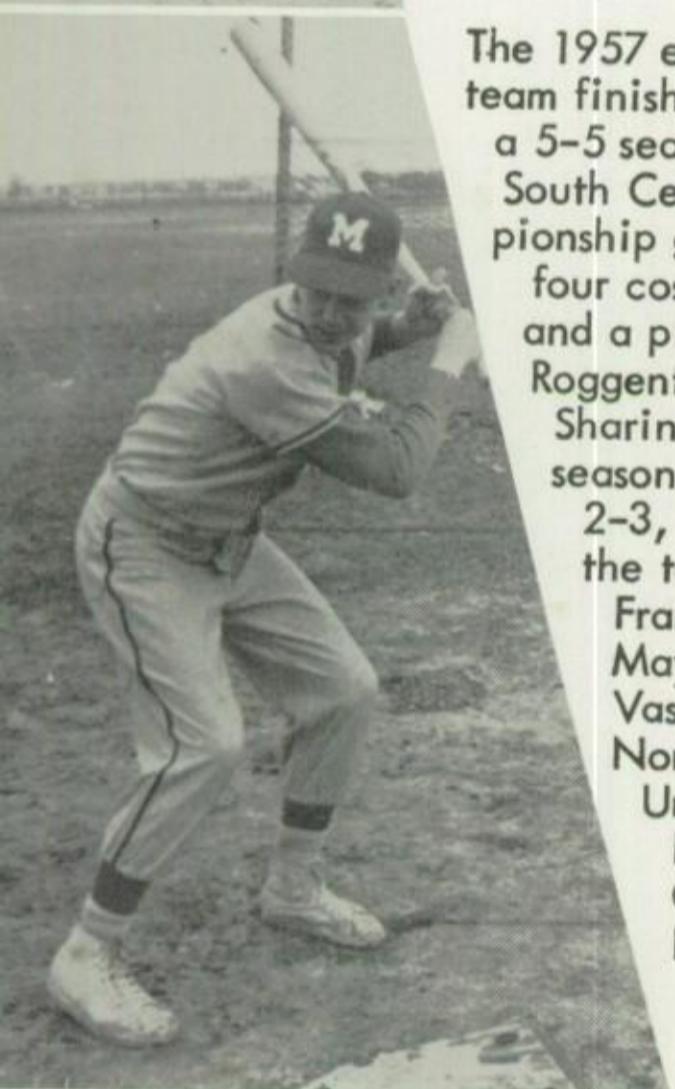

ROW ONE: D. O'Connor, T. Beebe, D. Alcantar, J. Hunt, D. Gross, D. Zink. ROW TWO: D. Zink, D. Whittaker, G. Hallwood, G. Kish, B. Griffith, D. Roggentine, L. Long, B. Sawyer, G. Mosher, Coach Dan McCarty.

The 1957 edition of the Millington Cardinal Baseball team finished the season with a 3-1 league record and a 5-5 season record good for second place in the South Central Conference. The Cards lost the Championship game to Imlay City 7-4 when they committed four costly errors. Leading batter of the season and a player of major league caliber was Duane Roggentine with a nifty .515 batting average. Sharing most of the pitching duties of the season were Duane Roggentine 2-1, Larry Lee 2-3, and lefty Bill Sawyer 1-1. Captain of the team was second baseman, Gary Leix.
